If you read only one book at bedtime every night for 3 years, you will have read 1095 books. If you read 3 books a day you'll read 1095 books in only one year.

Color in a star for each book you and your child share. If another family member reads a book with your child, write his/her name on the provided line. Reading together is a family affair!

PLAYING

Imaginative play allows your child to act out and make sense of the stories they hear and read.

From the time they are infants, children learn language and other important skills that will help them learn to read. Developing early literacy skills makes it easier for children to read once they begin school.
