

Getting started with Libby

Libby is made possible by your local library and built with ♥ by OverDrive.

- Do you have access to WiFi or a data plan?
- Do you have a tablet or smartphone?
- Do you have a library card?

Ask Us About Libby!

We will help you download eBooks, digital audiobooks and more!

www.MyLibrary.us 1-888-861-7323

First-time Libby App Setup

1. Visit your app store and download the free Libby App (search for **Libby, by OverDrive**) to your tablet or smartphone.
2. If you have a library card, tap “**I'll search for a Library**”
3. Enter your Zip Code and select **High Plains Library District**. It does not matter which branch you choose.
4. Enter your library card info and hit Next.

You're ready to check out books!

You can search for titles, authors or keywords (top left).

Or you can browse eBooks and audiobooks by changing your preferences. You can also select **Available books** or **Available audio-books** to hide items that are checked out.

You can check out, read, return and renew books through the Libby App. Libby will also sync your books across your devices, as long as you have the app on both devices.

When you're ready to borrow a book, tap the cover, tap Borrow, then select the number of days you wish to check out the item: 7, 14 or 21. You can return books early through Libby.

You can check out up to 10 items at any one time.

The Libby App is compatible with:

- iPads and iPhones running iOS 9.0 or newer
- Android tablets and smartphones running Android 4.4 and newer
