Go to Mylibrary.us via computer or device:

www.MyLibrary.us>Online>Databases A-Z>L> Learning Express Library

Enter library account information to access website.

Borrower Barcode Number:

PIN (Last 4 Digits of Phone #):

Click "Sign In/Register" on the blue menu ribbon

Complete registration form or sign in if returning.

Great! You are now ready to learn!

My Center is where you can track your progress and create a learning plan.

Once you have created an account or signed in, your username should show up where the 'Sign In/Register' option was previously showing. Hover over this option to reveal a dropdown menu.
My Center will look empty at first, but as you download eBooks, begin tests and open tutorials, this area will record your progress.

Learning Express Library has hundreds of practice tests for everything from passing the ACT to earning your CDL.

Hover over the "Centers' menu on the blue ribbon for a list of topics covered in Learning Express Library.
Resources available for each topic will vary between tests, tutorials, eBooks, articles and flashcards. Some topics are centered around building general knowledge of a career or subject and some are specifically focused on passing a certification exam or standardized test.

Within a specific topic, you can usually choose 'Learn More Guidance' on the right side of the screen to get some advice on how to most effectively use the resources.

our Grammar and Writing Skills

ar is a basic element of great writing, and mastering both skills is ge success.

ills Tutorial contains the lessons and quizzes you need to learn and practice all the core elements of ith the pre-test, take the lessons and quizzes, and end with the post-test and study plan to get a of how much your grammar has improved and what skills need more work.

ning your grammar skills with **Grammar Practice 1** and **Grammar Practice 2**.

iting skills with the **Writing Skills Tutorial**. You'll learn an effective writing process—from brainstorming the conclusion of the tutorial, you will write an essay that will be evaluated instantly, so you'll be able to u've improved in each of the skills essential to writing effective essays and papers.

ng your writing skills with the practice sets, concentrating on the skills (**organization and focus**, onventions, or **sentence structures**) that still need improvement.

Test settings can be customized based on your needs.

When you begin a practice test, you will be shown the test details and given the option to take the test as a simulation, practice or learner. Simulation replicates the experience of taking the real test while learner allows you to see answers as you go along without a time limit.

Tests in practice or learner mode can be saved to finish at a later time or scored at any point. These incomplete tests will be available for completion in My Center.

While taking a test in learner mode, you will be given the option to show explanations for each answer.

If you have any questions or would like help from a librarian, feel free to fill out our Book a Librarian form here: www.mylibrary.us/services/#book_a_librarian
