If you read only one book at bedtime every night for 3 years, you will have read 1095 books. If you read 3 books a day you'll read 1095 books in only one year.

Color in a star for each book you and your child share. If another family member reads a book with your child, write his/her name on the provided line. Reading together is a family affair!

## READING

Reading together, or shared reading, remains the single most effective way to help children become proficient readers.

Children's reading success in school starts with positive language and literacy experiences beginning at birth.
