October 12, 2026

Dear Board of Trustees and High Plains Library District Taxpayers:

We are pleased to present the proposed budget for the High Plains Library District for 2027. This proposed budget will support the High Plains Library District in achieving its mission and vision by providing the necessary funding for operations, distributions to member libraries, and capital projects.

The proposed budget consists of:

- Summary schedules listing revenues, expenditures, beginning and ending fund balances.
- The 5-year Capital Improvement Program.

The 2027 proposed budgeted revenues have increased .2% from the 2026 budget. The 2027 proposed budget includes funds for construction of a library in Erie, a refresh of Riverside Library, safety and security at Kersey Library, and for a quality level of library services.

The major source of revenue for the District is derived from a 3.177 mill levy for operations applied to the assessed value of portions of Weld and Boulder County properties.

The budgeted general fund revenues for 2026 are \$57,929,293 and the budgeted general fund expenditures for 2026 are \$57,519,044. That equates to a budgeted increase in net assets of \$410,249.

Any interested elector within such High Plains Library District may inspect the proposed budget and file or register any objections thereto at any time prior to the final adoption of the budget scheduled for Monday December 14, 2026 at the regular meeting of the High Plains Library District Board of Trustees.

Dr. Matthew Hорт, Executive Director

2027 Budget Message

December 14, 2026

Dear Board of Trustees and High Plains Library District Taxpayers:

It is our pleasure to submit to you the 2027 budget for your consideration and adoption. This budget was prepared by the Finance Department with input and direction from the Board of Trustees, members of the District Administrative Support Team, Library Managers, and the Executive Director. General guidelines used to formulate this document include the mission statement, the strategic plan, the capital improvement program forecast for the next five years, and financial projections of revenues and expenditures for the next 10 years.

Our Mission:

Helping build Community.

Our Vision:

HPLD is a valued community resource.

Our Values:

These values help clarify the principles that guide the High Plains Library District (HPLD). As trustees, administration, and staff of the High Plains Library District, we are committed to fulfilling our mission and vision while upholding the following values:

- **Access** – We provide access to all in our community.
- **Serve** – We serve (value) everyone in our communities.
- **Partner** – We partner to ensure access to expertise. We partner in support of common goals and expanding our value.

- **Improve** – We strive to be a role model organization through relentless efforts to improve.
- **Responsible** – We are responsible with taxpayer funds and work to be taxpayer proud.
- **Enrich** – We enrich lives through providing the opportunity to learn and grow.

At High Plains Library District we ASPIRE to help build community and be a valued community resource.

Overview

This budget will support the High Plains Library District in achieving its mission and vision by providing the necessary funding for the operation of the libraries, the outreach department, public computing centers, and administration and support services.

The budget consists of:

- Summary schedules listing revenues, expenditures, beginning and ending fund balances.
- The 5-year capital improvement program, plus narrative.

The 2027 proposed budget includes funds for construction in Erie, refresh of the Riverside Library, safety and security at the Kersey Library, and an operating budget for continuing to provide a quality level of library services.

The budgeted general fund revenues for 2027 are \$57,929,293 and the budgeted general fund expenditures for 2027 are \$57,519,044. That equates to a budgeted increase in net assets of \$410,249.

Budgeted revenues for 2027 have increased .2% from the 2026 budget. Budget restrictions in other expenditure areas have allowed for planning for a 4.1% merit increase for staff. High Plains Library District is planning for additions to FTE and staff headcount in 2027 to support district growth and demand for specific library services. The budget includes funds to continue to participate in Prospector which allows patrons increased access to additional resources beyond the High Plains Library District collection.

The primary source of revenue for the District is derived from a 3.177 mill levy for operations applied to the assessed value of portions of Weld and Boulder County properties. Property tax which includes delinquent taxes, refunds and abated taxes comprise 92% percent of the District's budgeted revenue for 2027 while specific ownership tax is 3%. The remaining 5% percent consists of investment earnings, grants, fines, fees, and miscellaneous revenues.

The expenditures of the district are comprised of salaries and benefits that equal 40% of the budgeted expenditures, operating expenditures add an additional 23%, capital outlay equals 15%, and the tax distribution to member libraries equals 22% of the total budgeted expenditures.

Budget

The annual budget and appropriation ordinance is adopted by the Board of Trustees in accordance with the Colorado State Statute (29-1-108(4), C.R.S.). The budget is prepared on a basis consistent with accounting principles generally accepted in the United States for all governmental funds. The accounting system is employed as a budgetary management control device during the year to monitor the individual expenditures. The 2027 budget will be continuously evaluated to assure that funds are expended judiciously.

Respectfully submitted,

Dr. Matthew Hорт
Executive Director

Natalie Wertz
Finance Manager

High Plains Library District Budget Narrative

Strategic Goals and Strategies

During late 2025, High Plains Library District (HPLD) began the strategic planning process (SPP) for 2027. This process involved gathering ideas from staff, listening to community members throughout the library district, meeting with governmental and non-profit organizations, and having discussions with community leaders, board members, and staff. Dr. Matthew Hott, Executive Director, used the input from these stakeholders to develop a strategic plan.

The SPP is designed to support, inform, and align with the budget process. See the diagram below. HPLD is working toward repeating this process annually.

WHAT'S BEEN DONE SO FAR...AND WHERE WE'RE HEADING

The strategic plan goals include:

- developing programs focused on life skills and workforce development (Skills pipeline);
- capital projects discussed later;
- supporting literacy throughout the district.

Short-Term Organization Factors

A demographic study completed during 2019 indicated that the High Plains Library District service area is experiencing and is expected to experience significant population growth in the foreseeable future. The 2020 census reports a Weld County population of 328,981, an increase of over 76,000 or 30% from the 2010 census. The Colorado State Demography office is forecasting the Weld County population will grow to 410,819 in 2030 and 479,150 in 2040. High Plains Library District will need to provide library services to those individuals. This growth influences decisions about facilities, staffing, and how best to provide library services efficiently and effectively. The budget for 2027 includes an operational budget and capital projects needed to serve the growing population.

A significant portion of the property tax base for High Plains Library District is from oil and gas. That has caused significant volatility in the revenue stream.

Budget Year	Oil and Gas percentage of HPLD assessed value
2027	54%
2026	55%
2025	58%
2024	67%
2023	60%
2022	43%

The Colorado Legislature passed SB19-181 in April 2019. That law changed the way oil and gas production is regulated in Colorado. The uncertainty about the long-term impacts of that law on the oil and gas industry affects revenue projections and decisions about spending available resources and the level of reserves that should be maintained. Other changes in state and federal policy and regulation have impacts on oil and gas production and prices. This uncertainty has caused the library district to maintain a higher level of reserves than might be seen if the property tax base was more predictable.

Inflation continued to increase in 2023 and increased at a slower rate in 2024 and 2025. Inflation continued in 2026. Inflation is expected to continue into 2027 and impact most operating expenditures and capital projects. Inflationary pressure on wages and a competitive labor market are expected to increase the cost of labor. The Federal Reserve maintained the Federal Funds Rate at 4.25% to 4.5% through much of 2025. The Federal Reserve cut the rate by .25% at the September, October, and December 2025 meetings bringing the Federal Funds rate to 3.50% to 3.75%. That rate was maintained until the Federal Reserve raised the rate .25% at the September 2026 meeting – the first time the rate had been raised since 2023. The updated Dot Plot is predicting at least one additional rate hike in 2026 with two or three hikes through 2027.

Priorities and Issues

The oil and gas market crash and dramatic increase in unemployment that occurred in 2020 demonstrated a need in our communities for High Plains Library District to respond by providing more skills-based and workforce development programming to help people acquire and improve marketable skills. The shutdowns during 2020 helped identify locations in our district where improved Internet access is most needed. In response to that need, HPLD obtained grants to purchase mobile Wi-Fi units, placed Wi-Fi units in high need locations in the district community, and purchased 16 mobile Wi-Fi units that were made available for specialty checkout. During 2027, High Plains Library District will work with partner agencies to continue to close the digital divide, improve digital literacy and access.

In addition to the factors noted above, the diversity of the population in the service area must be considered in the development of the budget. High Plains Library District is committed to ensuring that our programs and services are accessible to everyone and is continually striving to improve the library experience for all visitors. The materials collection, programs, and services should be designed to provide some level of library service for the entire population. The facilities and staff should feel welcoming to a wide variety of individuals. The population diversity affects decisions about amounts and types of materials purchased and programs that are offered at the libraries. Funds have been allocated in the Collection Resources department to allow the library to purchase a wide spectrum of materials in a variety of formats and genres. Resources have been allocated in the budget for citizenship, English as a Second Language (ESL), and Right to Read classes. Each year High Plains Library District is honored to host a naturalization ceremony for individuals who have completed citizenship classes and passed the examination. 29 individuals from 13 countries including Brazil, Germany, South Korea, and Thailand became United States citizens in the 13th annual naturalization ceremony in Greeley, Colorado on June 29, 2026.

The library district covers a geographical area of almost 4,000 square miles in northeastern Colorado. High Plains Library District includes most of Weld County and a small portion of Boulder County. The service area includes some near-urban/suburban, more densely populated areas, and some rural, remote, sparsely populated areas. Providing library services in areas where individuals do not have convenient access to a library building requires creativity and additional resources. The Outreach Department is designed to provide library services to those individuals. Funds have been allocated in the 2027 budget for Outreach department operations. The Information Technology and Innovation (ITI) Department budget will allow High Plains Library District to continue to support access to electronic resources throughout the district.

The development of the strategic plan has allowed High Plains Library District to improve the focus on priorities for the 2027 budget. The basic priority has been and continues to be providing high-quality library services throughout the district. The focus for 2027 has been refined to specific capital projects, supporting literacy, and developing skills-based and workforce development programming (Skills pipeline).

Moving to more skills-based programming, supporting literacy, developing operational excellence, and specific capital projects were focus points for the 2026 budget. HPLD will continue to focus on specific capital projects, supporting literacy, and skills-based and workforce development programming in 2027.

As High Plains Library District pursues its mission of *Helping build Community*, taxpayers, patrons, and staff members will know that we are succeeding when patrons are using library services - accessing the collection, attending programs, learning new skills, and developing skills. Another marker of success for HPLD is having community partners and local leaders that are engaged with and support the library.

Fund Description and Fund Structure

High Plains Library District maintains two funds for accounting and budgeting purposes – the general fund and the debt service fund.

The general fund is High Plains Library District's primary operating fund. It accounts for all financial resources of the district, except those required to be accounted for in another fund. The general fund is a major governmental fund of the district and the 2027 budget appropriates funds for the general fund.

The debt service fund accounts for the resources accumulated and payments made for principal and interest on the long-term debt of the district. The debt service fund has also been a major governmental fund of the district. The Certificates of Participation Series 2010 were paid off in December 2019. The district has no long-term debt outstanding as of December 31, 2026. There is no debt service fund budget appropriated for 2027.

Basis of Budgeting

Annual budget and appropriation ordinances are adopted by the board in accordance with the Colorado State Budget Law. The budget is prepared on a basis consistent with accounting principles generally accepted in the United States for all governmental funds (modified-accrual - the same basis of accounting used in the audited financial statements). Depreciation is not budgeted for and capital outlay is budgeted for. Depreciation is recorded in the Annual Comprehensive Financial Report government-wide financial statements and capital outlay expenditures are capitalized in the Annual Comprehensive Financial Report government-wide financial statements.

The accounting system is employed as a budgetary management control device during the year to monitor expenditures. The legal level of control is at the fund level. All annual appropriations lapse at year end.

Financial Policies

Below is a summary of some financial policies of High Plains Library District. High Plains Library District is in compliance with the financial policies. The 2027 budget is prepared in compliance with these policies. The finance policies are available on the High Plains Library District website.

Balanced Budget

Colorado state statute and district policy does not allow a budget with deficit spending which is defined as expenditures in excess of available revenues and beginning fund balance. A balanced budget is defined as a budget where budgeted expenditures do not exceed budgeted revenues plus beginning fund balance.

Fund Balance / Reserve

High Plains Library District is subject to the Emergency Reserve requirements of the Colorado Taxpayers Bill of Rights (TABOR). The TABOR Emergency Reserve provision requires High Plains Library District to maintain a reserve of 3% of prior year revenues. In addition to the emergency reserve, High Plains Library District policy requires six months of operating expenditures to be maintained as a fund balance reserve.

Debt

High Plains Library District is prohibited from issuing debt in excess of the legal debt limit of 1.5% of assessed value. Colorado TABOR prohibits governments from issuing bonds without a vote by the citizens. Governments may issue Certificates of Participation without a vote of the citizens. High Plains Library District policy requires approval of the Board of Trustees to issue long-term debt.

Investment

High Plains Library District investment policy complies with Colorado state law. The primary investment objectives are preservation of capital and liquidity. Permitted investments include U.S. Treasuries, Federal Agencies and Instrumentalities, Corporate Securities, Local Government Investment Pools, and Money Market Funds.

Budgetary Control

The legal level of control is the fund level. The proposed budget is presented to the Board of Trustees by October 15 each year. The proposed budget is posted on the High Plains Library District website and interested parties can review it from the website or in person at the district's administrative offices during regular business hours. A public hearing is scheduled and held by December 15 each year. The Board of Trustees adopts the mill levy and the budget by December 15 each year. The budget is posted on the district's website and filed with the State of Colorado by the end of January each year. During the year, the finance department prepares monthly budget to actual reports of revenues and expenditures. The budget to actual reports are posted on the High Plains Library District website and sent to the HPLD finance committee. The Executive Director, the finance department, and each department head and library

manager monitor the budget to actual activity throughout the year. If a budget amendment is needed, the amendment is presented to the board, a public hearing is scheduled and held, and the board votes on the amendment. If the board approves the amendment, the amended budget is filed with the State of Colorado.

Revenue

The primary revenue source for High Plains Library District is property tax. Property tax revenue is a function of the assessed valuation of taxable property within the district as certified by the county assessors multiplied by the mill levy approved by the Board of Trustees. Property taxes are billed and collected by the county treasurers. The county treasurers disburse the property taxes to the taxing districts by the 10th day of the month following collection. High Plains Library District records the property tax revenue received each month as revenue for the previous month. The property taxes levied for the following year are recorded as receivables and deferred revenue in the current year's audited financial statements.

Budget Process

Public input on the budget is obtained by feedback received throughout the year. Participants in some programs are invited to take formal surveys. Staff members receive informal feedback through conversations with community members. During 2023, HPLD began testing the LCI (Library Confidence Indicator) as a tool for collecting community feedback. Community members may submit requests for the purchase of specific items for the library collection. That formal and informal feedback is used to help determine what types of programs are offered and what materials are purchased for the collection. Public use of the libraries (gate count) and circulation statistics impact budget decisions about staffing levels at the libraries. Circulation statistics also impact budget decisions about what materials are purchased for the library collection. Computer use statistics help determine the number of computer stations that are maintained at each facility. Participation at the stops offered by Outreach helps determine the schedule, frequency, and locations that are visited. Board meetings are open to the public and attendees may sign up for public comment to address the board about library services or district budget decisions.

HPLD uses the assessment matrix below, a modified version of the Eisenhower Matrix, as a tool to prioritize ideas and opportunities into potential action as part of the budgeting process.

ASSESSMENT MATRIX

The High Plains Library District budget preparation process typically begins in late June or early July every year. The Finance Department provides budget request worksheets to each library manager and department head. Library managers and department heads complete the budget request worksheets and return them to the Finance Department by the end of July or early August each year. This includes capital outlay projects identified by the Facilities Department throughout the year during facility walk throughs and from the planned maintenance and replacement schedule.

During August and early September, the Finance Department compiles the requests and reviews them with the Executive Director and Associate Directors. The requests are prioritized, and any necessary adjustments are made and discussed with the library managers or department heads. The preliminary budget is reviewed with the finance committee and the committee may make recommendations for revisions to the budget.

Per state statute, the proposed budget must be presented to the board by October 15 each year. The proposed budget for 2027 was presented to the board at the October 12, 2026 board meeting. The proposed budget was then posted on the High Plains Library District website and a copy was available in the administrative office for public review. A public hearing notice was published.

Per state statute, the Board of Trustees must certify the mill levy by December 15 each year and adopt the budget by December 31 each year. The 2027 budget was adopted and the mill levy was certified at the December 14, 2026 board meeting. The adopted budget was then posted on the High Plains Library District website and filed with the Colorado Department of Local Affairs Division of Local Government. A copy of the budget is also available in the administrative office of High Plains Library District.

Between October when the proposed budget was presented to the board and December when the final budget was presented to the board, some budget adjustments were made. A table of the adjustments is included in the supplemental / statistical section of this budget document.

The legal level of budgetary control is at the fund level. If necessary, the budget may be amended by preparing and presenting a budget amendment to the BOT and holding a public hearing. If the BOT approves the budget amendment, the amended budget must be filed with the Colorado Department of Local Affairs Division of Local Government. Budget amendments may be presented to the BOT at any time during the year. Any budget amendments must be approved by the BOT before the end of the budget year.

Statutory Budget Calendar

August 25	Assessors certify to all taxing entities and to the Division of Local Government the total new assessed and actual values to compute the statutory and TABOR property tax revenue limit.
October 15	Budget officer must submit proposed budget to the governing board. Governing body must publish "Notice of Budget" upon receiving proposed budget.
December 10	Changes in assessed valuation made by the assessors will be made only once by a single notification to the county commissioners or other body authorized by law to levy property tax, and to the Division of Local Government.
December 22	Deadline for county commissioners to levy taxes and to certify the levies to the assessor.
January 30	A certified copy of the adopted budget for the current fiscal year must be filed with the Division of Local Government no later than this date.

Fund Balance

Fund balance may be defined as the excess of the assets of a fund over its liabilities, reserves, and carryover.

The budget for 2027 plans for an increase in fund balance of approximately \$410,000. High Plains Library District anticipates an increase in property tax revenue in 2027. High Plains Library District is budgeting for an increase in salaries and benefits expenditures for pay increases, cost increases, and FTE (full-time equivalent) and regular staff headcount that will be added in 2027.

Revenues

The primary revenue source (approximately 92%) of the High Plains Library District is the property tax mill levy. The revenue estimate for the budget is calculated based on the certification of assessed valuation received from the county assessors multiplied by the mill levy that is certified by the High Plains Library District Board of Trustees and the Weld and Boulder County Commissioners.

The Gallagher Amendment in the Colorado Constitution limited the portion of statewide property tax revenue that could come from residential property to 45%. The remaining 55% of statewide property tax revenue was to be levied on other property types – commercial, agricultural, etc. The assessment rate for non-residential property types except oil and gas was fixed at 29%. To maintain that 45% / 55% ratio, the residential assessment rate was adjusted every two years. Since residential property values statewide have increased faster than the other property types, the residential assessment rate had been decreasing. The decreases in the residential assessment rate effectively become permanent since the Taxpayer Bill of Rights (TABOR) in the Colorado Constitution prohibits any tax increases without a vote of the citizens and increasing the residential assessment rate has been interpreted as a tax increase. A measure to repeal the Gallagher Amendment passed in November 2020 election. With the repeal of the Gallagher Amendment, the residential assessment rate was fixed at 7.15% and the non-residential assessment rate was fixed at 29%. The effects of the repeal of the Gallagher Amendment resulted in significant legislative activity every year from 2021 to 2024.

In June 2021, the state legislature passed SB 21-293 reducing the assessment rates on some classes of property for 2022 and 2023 valuations (collection years 2023 and 2024) from 7.15% to 6.95%, 7.15% to 6.8%, and 29% to 26.4%. Under SB 21-293, assessment rates were to return to the previous levels for 2024 valuations.

In June 2022, the state legislature passed SB 22-238 which reduced assessment rates on some classes of property and exempted some portions of valuations of some classes of property for the 2023 and 2024 valuations. Colorado Counties, Inc. has prepared a table summarizing the changes in the assessment rates. Please see the statistical and additional information section for that table.

In May 2023 during the last week of the legislative session, the state legislature passed SB 23-303 which submitted a measure on the November 2023 ballot known as Proposition HH. Provisions of SB 23-303 / Proposition HH included slightly reducing the assessment rate on some residential properties and some other property classes while allowing the State of Colorado to retain more revenue than currently allowed under TABOR for 2023 through 2032 and changes to the statutory budget calendar for one year only which would delay final certifications of valuation and mill levy certifications. Proposition HH failed in the November 2023 election.

On Thursday following the November election, the governor called a special session of the state legislature to begin November 17, 2023 to address the increase in property taxes. During the special session, the state legislature passed SB23B-001 which reduced the residential assessment rate to 6.7%, exempted the first \$55,000 of residential property value, and delayed the budget adoption and mill levy certification dates for the 2024 budget year only. SB23B-001 also established a property tax commission tasked with studying the property tax structure in Colorado and bringing recommendations to the legislature.

During the last week of the regular legislative session in May 2024, the state legislature passed SB24-233. Provisions of SB24-233 include limiting property tax revenue increases to 5.5% annually, reduced residential and commercial property assessment rates, and creating different (higher) assessment rates for school districts than other local governments.

Two initiatives to reduce property taxes were to be included in the November 2024 ballot. To have the sponsoring groups remove the initiatives from the ballot, the governor called a special session to further address property taxes in August 2024. HB24B-1001 was passed during the special session. SB24-233 and HB24B-1001 continued most of the provisions of SB23B-001 for budget year 2025. The provisions of HB24B-1001 limit property tax revenue increases to 10.5% per reassessment cycle (5.25% per year) and further reduces assessment rates for residential and commercial property which will have a negative impact on HPLD property tax revenue starting with budget year 2026. The limit of a 5.25% increase per year required HPLD to issue a temporary credit to reduce the mill levy from 3.177 to 3.039 for budget year 2026. HPLD was able to levy 3.177 mills for budget year 2027. Both SB24-233 and HB24B-1001 include a provision allowing the local government to go to the voters to request that the local government be allowed to exceed the imposed revenue limit.

Budget Year(s)	Mill levy for operations
2027	3.177
2026	3.039
2020 to 2025	3.177
2016 to 2019	3.249

A significant portion of the High Plains Library District tax base has been from oil and gas. With the oil and gas market crash in 2020 and government-imposed shutdowns, oil and gas sales revenue from production in the district decreased dramatically. That significantly reduced High Plains Library District budgeted revenues for 2022. Construction continued and residential property values increased in the district, but that did not offset the reduction in the oil and gas tax base. The oil and gas market experienced some recovery in 2021 and property values in the HPLD service area continued to increase, so budgeted property tax revenue for 2023 increased. Oil and gas prices increased in 2022 and property values were reassessed in 2023, so budgeted property tax revenue for 2024 increased by approximately 35%. Oil and gas prices decreased in 2023, so budgeted property tax revenue for 2025 decreased by more than 20%. Property values were reassessed in 2025. However, SB24-233 and HB24B-1001 limited property tax revenue increases and required HPLD to temporarily lower the mill levy for the 2026 budget year. Oil and gas prices have been high for most of 2026 which should have a positive effect on property tax revenue for 2028.

data as of September 18, 2026

Long-range Financial Plans

The long-range financial operating plans support the achievement of the strategic goals of HPLD. The long-range financial operating plans allow High Plains Library District to estimate resources that will be available to use toward those goals. The long-range financial plan helps determine scope and timing adjustments that may be necessary or possible to work being done on the strategic plan initiatives.

High Plains Library District is dependent on the property tax mill levy as the primary revenue source for the district. Currently, there are no plans to permanently increase or decrease the mill levy. Any proposed increase in the mill levy or exceed the revenue increase limits would need to be approved by the BOT and then presented to the voters for approval. In budget years beyond 2027, HPLD may be required to issue temporary credits on the mill levy to comply with the revenue increase limits imposed under HB24B-1001. The High Plains Library District Friends & Foundation (HPLDF&F) will be instrumental in building community connections and community support should it become necessary to request a mill levy increase or override of the imposed annual property tax revenue increase limits.

Since the primary revenue source for High Plains Library District is property taxes, and a significant portion of the tax base has been oil and gas, the oil and gas market crash in 2020 negatively impacted the revenues of the district – particularly for 2022. Increases in oil and gas prices in 2022 and reassessments of property values in 2023 created an increase in budgeted property tax revenue for 2024. A decrease in oil and gas prices and production in 2023 is the main factor causing the decrease in budgeted property tax revenue for 2025. Long-range financial plans and projections were reevaluated in 2026 as HPLD continues to prepare for the future.

Long-range financial planning requires working with other economic interests to get a firm understanding of economic forecasts and their meaning for district revenues and setting priorities to identify areas that could be reduced when revenues take a downturn. During 2026, the Finance Department received information from Weld County government officials, obtained information from the Colorado Oil and Gas Conservation Commission, attended seminars and webinars on economic updates and predictions, and read reports on the national and local economic outlook. That information was used to refine the financial projection for High Plains Library District. The projection was considered in developing the budget for 2027.

Anticipated population growth in Weld County is expected to support continued residential construction. Residential property sales have slowed and prices have begun to decrease slightly. The assessment rate reductions from recent legislation have had a negative impact on HPLD revenues. The annual revenue property tax increase limit and further assessment rate reductions will have a negative impact on HPLD revenues.

In response to the expected future revenue levels, emphasis will need to be placed on controlling the operating expenditures budget. Salaries and benefits are a significant portion of the HPLD budget. FTE (Full-time equivalent) and employee headcount were increased significantly in 2023 to staff and support LINC. 2024 and 2025 included some additional increases in FTE to satisfy the demand for the innovation spaces and other library services. Additional staff requests were included in the 2026 budget to staff the Mead Library, the DSS Library & Archive, and the Mobile Workforce Unit and to support the growth of HPLD. For the 2027 budget, some additional staffing is included in the budget to support the growth of the district and demand for specific library services including workforce development and makerspace activity. As the district continues to grow, HPLD will need to continue to monitor and evaluate staffing levels. Database and periodical subscriptions have been reviewed and items with low patron use have been discontinued. Less expensive, more user-friendly options have been identified and replaced some databases and electronic resources. Computer use in the libraries is regularly evaluated and computer inventory is managed to achieve usage target ranges.

Long-range financial plans include operation of LINC. LINC was opened May 13, 2023. LINC has allowed HPLD to make progress on the strategic plan initiatives of expanding skills-based programming and supporting literacy. The addition of the Workmobile in 2026 will further expand workforce development programming. HPLD also plans to continue providing access to the Career Online High School. HPLD was proud to host the first graduation ceremony at Centennial Park Library on September 26, 2026 for 13 graduates of the Career Online High School. The additional skills-based programming and literacy support should encourage economic growth and help diversify and expand the property tax base in the HPLD service area over the long-term.

The overview of the capital improvement program provides more information on specific projects. To help control the operating expenditures budget and to accommodate the anticipated levels of future property tax revenue, completing LINC was the largest construction project planned on the schedule. Construction projects planned or

anticipated for 2027 through 2031 are much smaller. Anticipated future revenue levels will require High Plains Library District to leverage available technology to provide library services efficiently in more remote areas of the district.

The government-imposed shutdowns during 2020 created the opportunity to learn how to provide more services virtually. High Plains Library District is using available technology (electronic databases, Ebooks, audiobooks, music, and videos, virtual assistance from librarians, etc.) to provide library services to a wider community more efficiently. Patron use of electronic resources continues to grow. The Outreach department will continue to provide library services to the community outside of the library facilities. Technology and the Outreach department will allow HPLD to provide library services with less need for additional library facilities. The Workmobile will allow HPLD to provide workforce development services to individuals throughout the district outside of the library buildings.

Currently, High Plains Library District has no plans to significantly reduce library services. HPLD intends to be responsive to the community. Low use services and programs may be discontinued to improve efficiency or to provide additional resources for other library programming. An example of this is the evaluation of database use and computer use as discussed earlier. High Plains Library District will continue to provide library services throughout the service area while evaluating those services for efficiency and value to the community.

Stewardship and fiscal strength are focus areas of the budget process. High Plains Library District's financial plan is to maintain a sound and sustainable financial position by allocating available resources to provide high-quality library services while also maintaining adequate reserves to manage revenue volatility and economic downturns.

Capital Expenditures

The Facilities Master Plan provides general guidance on when a library expansion or a new library should be considered. The BOT and executive team meet with other community leaders regularly. Economic conditions and outlook, population growth and projections, and community plans and needs are often discussed in those meetings. That information is considered when determining which capital projects should be pursued. HPLD updated the Facilities Master Plan in 2025 with particular focus on updating demographic information and population growth projections. That plan was presented to and approved by the HPLD board of trustees at the August 2025 meeting.

The Facilities Department inspects and evaluates the facilities throughout the year and maintains a replacement schedule for significant building components (roofing, HVAC units, boilers, etc.). The Facilities Manager recommends capital projects based on those inspections and the replacement schedule. Library Managers also request improvements to the facilities. The Executive Director, Associate Director of Public Services, Facilities Manager, and Finance Manager review the proposed capital budget requests and prioritize the recommended projects. Projects that affect the safety or the

functionality of the facilities are given higher priority than other requested improvements or additions.

The 2027 budget includes funds allocated for the following projects:

Erie Library – HPLD has been working on identifying a potential site for a second library in or near the Town of Erie. \$4 million is included in the 2027 capital project budget for possible site acquisition, planning, and design.

Carbon Valley HVAC system - \$1.2 million is included in the 2027 capital project budget to replace the HVAC system at Carbon Valley.

New Tech Equipment - \$1.195 million is included in the 2027 capital project budget to continue updating technology and tech equipment.

Riverside Library – refresh of the library to include flooring, painting, and redesign / expansion of staff areas. \$1 million is included in the 2027 capital project budget for this project.

LINC - \$500,000 is included in the 2027 capital project budget for AVI Update and improvements at LINC.

Kersey Library – expansion and staff safety and security work is planned. \$300,000 is included in the 2027 capital project budget for this project.

Impact of Capital Investments on Operating Budget

The capital investments noted above will have an impact on the operating budget in additional staff, maintenance, and utility costs. The estimated amounts per project are listed below:

Project	Estimated Annual Salaries and Benefits	Estimated Annual Utilities	Estimated Annual Operating Costs including Repairs and Maintenance
Erie Library	\$975,000	\$52,000	\$40,000
Riverside Library		\$ 2,000	\$ 4,000
Kersey Library		\$ 1,000	\$ 2,000

The projects are expected to be financed using available cash and investments, which will have a negative impact on investment earnings as investments are liquidated.

Debt

The legal debt limit for High Plains Library District is 1.5% of assessed value or \$253,164,745 as of December 31, 2026. The Certificates of Participation Series 2010 were paid off in December 2019. The High Plains Library District has no long-term debt subject to the legal debt limit as of December 31, 2026. High Plains Library District has no current plans to issue new debt.

Position Summary Schedule

	2025	2026	Budgeted 2027
Librarians	38	41	41
Library Associates	66	71	71
Pages and Materials Clerks	42	34	34
Innovation Space	12	11	11
Facilities	9	7	8
Collection Resources	14	18	18
Information Technology Innovation	11	10	10
Community Relations and Marketing	5	11	11
Managers and Supervisors	30	25	25
Administration (Executive Director, Associate Directors, HR, Finance, Foundation)	9	13	16
Total	236	241	245
Approximate FTE	190	207	210

The additional staff for 2026 is primarily to staff the Mead Library, DSS Library & Archive, and the Mobile Workforce Unit. The additional staffing for 2027 is to support district growth and specific library services.

GOALS AND OBJECTIVES AND PERFORMANCE MEASURES

The following is a table of some of the strategic goals and objectives that the High Plains Library District is working toward.

Highlights from 2026

Goal	Department	Tie to Strategic Plan	Objectives	Performance Measures	Results
Capital Projects – library in Mead and addition at District Support Services	Executive Associate Director Facilities Human Resources Finance	Gather – library spaces provide a place for community members	Complete the projects on schedule and within budget Provide facilities for patrons, public, and employees to provide library services and operate the district	Mead library construction and DSS expansion completed in 2026 Projects completed on schedule and within budget Provide additional access points to help reach the goal of 60% of households using HPLD services within the past year See potential to impact 5,399 households from the DSS location and 1,932 households from the Mead location 60% of households have used HPLD services within the past year Workforce Development Vehicle placed in service Workforce and skills development programming to lead to the issue of 500 new library cards that are used at least once	Employees were able to move into the DSS office expansion on June 1, 2026. The HPLD Library & Archive at the DSS expansion was opened June 27, 2026. The Mead Library was opened on October 3, 2026. Currently HPLD statistics show approximately 39% of households have used HPLD within the past year
HPLD serving as a skills pipeline for community members by developing programs focused on life skills and workforce development	Branch services MOVE	Grow	Provide patrons with an opportunity to learn and develop marketable skills and life skills	60% of households have used HPLD services within the past year Workforce Development Vehicle placed in service Workforce and skills development programming to lead to the issue of 500 new library cards that are used at least once	Currently HPLD statistics show approximately 39% of households have used HPLD services within the past year Workmobile was delivered in October 2026.
Support all sections of the community to achieve their literacy goals	Excellence Coordinator Programming	Grow	Support literacy in the community	60% of households have used HPLD services within the past year Literacy programming to lead to the issue of 20 new library cards that are used at least once	Currently HPLD statistics show approximately 39% of households have used HPLD services within the past year.

HPLD 2027 Strategic Plan Initiatives

Goal	Department	Tie to Strategic Plan	Start Date	Due Date	Measures
Capital Projects including library in Erie, refresh of Riverside Library, safety and staff space at Kersey Library	Executive Associate Director Facilities Human Resources Finance	Gather – library spaces provide a place for community members	01/01/2027	12/31/2028	Projects completed on schedule and within budget Refresh the access points to help reach the goal of 60% of households using HPLD services within the past year
HPLD serving as a skills pipeline for community members by developing programs focused on life skills and workforce development	Branch services MOVE CRM	Grow	01/01/2027	12/31/2027	60% of households have used HPLD services within the past year Workforce Development Vehicle in service Workforce and skills development programming to lead to the issue 500 new library cards that are used at least once
Support all sections of the community to achieve their literacy goals	Excellence Coordinator Programming	Grow	01/01/2027	12/31/2027	60% of households have used HPLD services within the past year Literacy programming to lead to the issue of 20 new library cards that are used at least once

RESOLUTION TO ADOPT BUDGET 26-1

A RESOLUTION SUMMARIZING EXPENDITURES AND REVENUES FOR EACH FUND AND ADOPTING A BUDGET FOR THE HIGH PLAINS LIBRARY DISTRICT, COLORADO, FOR THE CALENDAR YEAR BEGINNING ON THE FIRST DAY OF JANUARY 2027, AND ENDING ON THE LAST DAY OF DECEMBER 2027.

WHEREAS, the Board of Trustees of the High Plains Library District has appointed Dr. Matthew Horts, High Plains Library District Executive Director, to prepare and submit a proposed budget to said governing body at the proper time; and

WHEREAS, Dr. Matthew Horts has submitted a proposed budget to this governing body for its consideration; and

WHEREAS, upon due and proper notice, published or posted in accordance with the law, said proposed budget was open for inspection by the public at a designated place, a public hearing was held on December 14, 2026, and interested taxpayers were given the opportunity to file or register any objections to said proposed budget.

NOW, THEREFORE, BE IT RESOLVED by the Board of Trustees of the High Plains Library District, Colorado:

Section 1. That estimated expenditures for each fund are as follows:

General Fund	\$ 57,519,044
--------------	---------------

Debt Service Fund

Section 2. That estimated revenues for each fund are as follows:

General Fund:

From un-appropriated surpluses	\$120,796,127	
From the general property tax levy	\$ 53,620,293	
From sources other than general property tax	\$ 4,309,000	
Total General Fund		\$ 178,725,420

Debt Service Fund

Resolution to Adopt Budget
Page 2
High Plains Library District

Section 3. That the budget, as submitted, amended, and hereinabove summarized by fund, hereby is approved and adopted as the budget of the High Plains Library District for the year stated above.

Section 4. That the budget hereby approved and adopted shall be signed by the Chairman, High Plains Library District Board of Trustees, and made a part of the public records of the District.

ADOPTED, this 14th day of December, A.D., 2026.

Attest:

Chairman, Board of Trustees

Attest:

Secretary/Treasurer, Board of Trustees

RESOLUTION TO APPROPRIATE SUMS OF MONEY
26-2

A RESOLUTION APPROPRIATING SUMS OF MONEY TO THE VARIOUS FUNDS AND SPENDING AGENCIES, IN THE AMOUNTS AND FOR THE PURPOSE AS SET FORTH BELOW, FOR THE HIGH PLAINS LIBRARY DISTRICT, COLORADO, FOR THE 2027 BUDGET YEAR.

WHEREAS, the Board of Trustees has adopted the annual budget in accordance with the local Government Budget Law, on December 14, 2026 and

WHEREAS, the Library Board has made provision therein for revenues in an amount equal to or greater than the total proposed expenditures as set forth in said budget, and

WHEREAS, it is not only required by law, but also necessary to appropriate the revenues provided in the budget to and for the purposes described below, so as not to impair the operations of the District.

NOW, THEREFORE, BE IT RESOLVED by the Board of Trustees of the High Plains Library District, Colorado:

That the following sums are hereby appropriated from the revenue of each fund, to each fund, for purposes stated:

General
Fund:

Current Operating Expenses	\$ 36,344,056
Capital Outlay	\$ 8,643,500
Transfers (internal activities) Distribution to Member Libraries	\$ 12,531,488
Total General Fund	\$ 57,519,044

Debt Service
Fund:

Principal & Interest & Other

ADOPTED, this 14th day of December, A.D., 2026.

ATTEST:

Chairman, Board of Trustees

ATTEST:

Secretary/Treasurer, Board of Trustees

RESOLUTION TO SET MILL LEVIES
26-3

A RESOLUTION LEVYING GENERAL PROPERTY TAXES FOR THE YEAR 2026 TO HELP DEFRAY THE COSTS OF GOVERNMENT FOR THE HIGH PLAINS LIBRARY DISTRICT, COLORADO, FOR THE 2027 BUDGET YEAR.

WHEREAS, the Board of Trustees of the High Plains Library District has adopted the annual budget in accordance with the Local Government Budget Law, on December 14, 2026, and

WHEREAS, the amount of money necessary to balance the budget for general operating expenses is \$52,784,663

WHEREAS, the 2026 valuation for assessment for the High Plains Library District as certified by the Weld County Assessor is \$16,614,624,785

NOW, THEREFORE, BE IT RESOLVED by the Board of Trustees of the High Plains Library District, Colorado:

Section 1: That for the purpose of meeting all general operating expenses of the High Plains Library District during the 2027 budget year, there is hereby levied a tax of 3.177 mills upon each dollar of the total valuation for assessment of all taxable property within the District for the year 2026.

Section 2: That the District Executive Director is hereby authorized and directed to immediately recertify to the County Commissioners of Weld County, Colorado, the mill levies for the High Plains Library District as hereinabove determined and set.

ADOPTED, this 14th day of December, A.D., 2026.

ATTEST:

Chairman, Board of Trustees

**RESOLUTION TO SET MILL LEVIES
26-4**

A RESOLUTION LEVYING GENERAL PROPERTY TAXES FOR THE YEAR 2026 TO HELP DEFRAY THE COSTS OF GOVERNMENT FOR THE HIGH PLAINS LIBRARY DISTRICT, COLORADO, FOR THE 2026 BUDGET YEAR.

WHEREAS, the Board of Trustees of the High Plains Library District has adopted the annual budget in accordance with the Local Government Budget Law, on December 14, 2026, and

WHEREAS, the amount of money necessary to balance the budget for general operating expenses is \$835,630

WHEREAS, the 2026 valuation for assessment for the High Plains Library District as certified by the Boulder County Assessor is \$263,024,867

NOW, THEREFORE, BE IT RESOLVED by the Board of Trustees of the High Plains Library District, Colorado:

Section 1: That for the purpose of meeting all general operating expenses of the High Plains Library District during the 2027 budget year, there is hereby levied a tax of 3.177 mills upon each dollar of the total valuation for assessment of all taxable property within the District for the year 2026.

Section 2: That the District Executive Director is hereby authorized and directed to immediately recertify to the County Commissioners of Boulder County, Colorado, the mill levies for the High Plains Library District as hereinabove determined and set.

ADOPTED, this 14th day of December, A.D., 2026.

2027 Capital Improvement

OVERVIEW OF CAPITAL IMPROVEMENT PROGRAM PROCESS

It is the practice of the High Plains Library District (HPLD) to develop, maintain, and revise when necessary a continuing Capital Improvement Program (CIP). The CIP covers a five-year planning horizon, identifying infrastructure and facility projects that the District plans to undertake.

Defining a Capital Improvement

To be included in the CIP, projects need to meet one of the following criteria:

- Construction of a new District asset or expansion of an existing District-owned facility, including preliminary planning and surveys, cost of land (if applicable), staff and contractual services for design and construction, and related furnishings and equipment.
- Initial acquisition of a major equipment system, which will become a District asset that has a cost of \$10,000 or more and a useful life of at least three years.
- Major renovation or rehabilitation of an existing District-owned facility that requires an expenditure of \$10,000 or more and will extend the life of the original District asset.

Exceptions have been made for inclusion of some projects that do not meet the above criteria to make them more visible to the public and the HPLD Board of Trustees (BOT).

Steps from Submittal to Approval

The CIP process begins with the District's annual Budget kick-off meeting with all Directors and Managers. The Directors and Managers are given the months of July and August to develop their CIP requests and review future year requests based on their assessment of needs. The 2027 - 2031 Program includes projects that are pay-as-you-go funded with operating funds and allocation of fund balance. The Finance Department reviews all requests for funding availability and reasonableness.

Summary of Expenditures and Funding

The approved five-year CIP for Fiscal Years 2027 through 2031 totals approximately \$23 million. The 2027 budget includes funds to construct a library in Erie and replacements and improvements to district-owned facilities. Funding will be from 2027 revenue and the fund balance in the General Fund.

Impact on the Operating Budget

The completion of many projects is the beginning of recurring costs for the operating budget. All projects included in the first year of the Capital Program are funded in the 2027 recommended budget. Projects included in the subsequent years (2026-2031) will be approved by the BOT in concept only. The Program will be updated annually to address specific needs as they arise or as the BOT goals and policies change.

Thus, it is important for the reader to understand that the District's BOT is not committing funds for any projects beyond the year 2027.

2027 Department Budgets

BOARD OF TRUSTEES						
Governance of the District is vested in a board of trustees consisting of seven members, all of whom are appointed by a committee representing the original founding bodies that established the District. Trustees serve staggered terms with one or two board members having terms expiring at the end of each year. The trustees hold one regular meeting each month and special meetings when necessary. Board members are prohibited by law from receiving compensation for their services; however, they may be reimbursed for necessary travel, training, or miscellaneous expenses. The Board of Trustees is responsible for employing the Executive Director. The Board of Trustees is responsible for certifying the property tax mill levy and adopting the budget each year.

ASSOCIATE DIRECTORS

The Associate Directors department assists the Executive Director in supervision and management of the district. That includes supervising Branch Services and supporting Community Engagement.

BRANCH SERVICES

High Plains Library District (HPLD) serves more than 330,000 residents of Weld County and a small part of Boulder County and covers a geographic area of almost 4,000 square miles. Our mission of *helping build community* is carried out by our well-trained staff and through our strong collection of library materials.

Currently, HPLD offers approximately 675,000 items to its patrons. The district strives to provide a collection that balances viewpoints across a broad spectrum of opinions and subject matter in formats suitable to a variety of learning and recreational interests and skills. Our locations offer a wide selection of materials including children, teen, and adult fiction and non-fiction materials in print, audio, video, and electronic formats (CDs, DVDs, e-books, and downloadable audio books). The district also provides a collection of magazines, journals, and newspapers, and subscribes to more than 80 paid subscription databases, most of which can be accessed from any computer with Internet access. Launchpads are also included in the district's digital collection. These pre-loaded tablets for kids are designed with a simple, easy-to-use interface, and come loaded with age-appropriate games and apps. In addition, the district provides Wonderbooks and VOX books, which are children's print books with a pre-loaded audiobook player attached.

High Plains Library District strives to provide current technologies within the libraries as well as in computer centers throughout our service area. At a minimum the district provides access to the catalog, subscription databases, the Internet, and current computer applications.

Computers within the libraries are used by staff to teach classes to the public on a variety of computer-related topics, as well as by the public for research and personal computer use. In addition, each of the district's libraries provides Wi-Fi connectivity without charge to the user.

As an extension of traditional service, each library hosts a variety of programming for all ages that encourages reading, literacy, education, skill development, cultural and social diversity, and fun. These programs are provided free of charge to attendees.

The district maintains a strong commitment to long-term environmental sustainability. During new construction and facility upgrades, the district makes every effort to reduce consumption of resources as well as use our existing resources wisely.

Community Engagement is a coordinated effort made by the District to:

Bring services and programs to the community members both inside and outside of the walls of our facilities and satellite locations; inclusive of in-person interactions, vehicle-based delivery, virtual presence (using social media sites), and use of communication tools such as phone, email, and chat.

Partner with community agencies to support community-wide success.

Identify opportunities for staff to represent the High Plains Library District as an engaged resource at various community events.

Learn about the needs and priorities of community members through market research, community assessments, and conversations.

Share the information learned with stakeholders within the district and appropriate external stakeholders.

Use the information learned to focus and prioritize services and experiences most important and relevant to community members.

Assess and measure the impact of our work for the purpose of better aligning our efforts to best support community success.

Centennial Park Library

Centennial Park Library serves neighborhoods near central Greeley. The 30,000 square foot facility can house up to 80,000 items and offers 48 public access computers. The library includes a computer commons lab with a separate computer classroom for technology classes. The building contains four study rooms, a conference room, a community meeting room, and a space for teens, which includes their own computers and video games. The public is encouraged to visit our seed library to take home free packets of seeds. On the way out, our thriving pollinator-friendly garden provides inspiration for gardens at home.

The Centennial Park library remodel was completed in 2024. Some exciting changes include new features to the children's area, including a re-envisioned story time area, and new art mural by local artist, Betony Coons. Kids can explore the space to find a painted animal or plant for each letter of the alphabet. Colorful new furniture, carpet and paint give the library a fresh and modern look. On the lower level, a water vapor fireplace sets a cozy mood for quiet reading. The genealogy collection, once housed on the lower level, was moved to LINC.

Farr Regional Library

Farr Regional Library serves a dual role as both a community library and a resource library for the northern area of the High Plains Library District. The 38,000 square foot facility has a collection size of approximately 84,000 items and is equipped with 30 public computers.

Through its building design, the library has a variety of spaces that meet the diverse needs of the community including areas for collaboration, meetings, and quiet study. The library offers a café/vending area, a flex meeting room for impromptu meetings and collaborative work, community reading and study rooms, a large children's area, a separate teen area, and numerous informal seating areas. The Farr Regional Library features eight custom stained-glass windows commissioned by local artist Carolyn Stuart, a fireplace with a comfortable reading area, a small conference room, and a large meeting room.

Farr Regional Library also serves as the home for the Virtual Library. Virtual Library staff assist those who prefer online or phone-based services. Through phone, email, and chat, trained library staff find online-based resources, request items, renew items, troubleshoot e-book questions, sign up for programs, help with reserving a meeting room, create district preloaded library cards, and much more.

Carbon Valley Regional Library

Carbon Valley Regional Library serves as both a community hub and a resource center for the southwest region of the High Plains Library District. Spanning 35,400 square feet, the facility houses up to 150,000 items and offers 27 public access computers to meet the diverse needs of its patrons.

The library features a wide range of welcoming and functional spaces, including two community meeting rooms, four study rooms, a makerspace, a cozy fireplace area, a dedicated children's storytime room, teen and tween areas, an outdoor patio, café, a nature trail, pollinator garden, and a gated outdoor play space.

The library is an integral part of the Carbon Valley community and partners with the local Chamber of Commerce, area municipalities, and schools to support and advance the district's mission.

LINC

LINC (Library Innovation Center), a 63,000 square foot building that represents the next iteration of the High Plains Library District opened May 13, 2023. Built at the old Greeley Tribune site in downtown Greeley, the state-of-the art building features a fully equipped makerspace with 3D printers, laser engravers, cri-cuts, and a sublimation printer, an industrial room with woodworking equipment, a large innovation workspace, a fiber arts studio, a quiet reading room, an art studio, a recording studio, a podcast room, an atrium with an indoor/door fireplace, and a board room. LINC houses the High Plains Library District's Local History and Genealogy Collection, which was previously located at Centennial Park Library.

Plentiful opportunities for children and teens exist at LINC. The mezzanine level showcases a dynamic, hands-on learning Children's Exhibit that physically connects to the two-story large-scale interactive installation by nationally renowned artist Wes Bruce. The Children's library features a Hobbit Door that welcomes families into the Storytime room. Older kids and teens can take advantage of the gaming room next door to the Children's Library.

There is no shortage of community spaces in the building. There are 5 study rooms, 5 meeting rooms, 2 collaboration spaces, 2 computer classrooms, 3 general classrooms. The event space, which holds up to 200 people, features 2 projectors with large screens and a built-in platform for presenters. More than 50 computers are available throughout the building and LINC's materials collection can expand to 100,000 items.

At LINC, individuals can transform information into knowledge while developing and sharing skills and ideas in a sensory rich, experience driven, creative environment. A community catalyst for workforce development, STEM education, and future innovation, LINC is a place where creativity and possibility comes to life.

Outreach Services

The Outreach Department serves as an extension of High Plains Library District by delivering services and programs to patrons and communities unable or unwilling to use library facilities. The department operates in cooperation with the libraries throughout the High Plains Library District.

The Outreach Department provides popular materials in various formats, reading readiness training, materials and services for families, and programming. These services are provided to schools, daycare centers, preschools, families, assisted living centers, and senior centers in areas where geographic, economic, linguistic, and other barriers hinder access to a library. Outreach services are delivered through Mobile Services and Outreach Services.

Mobile Services staff focus on bringing services and programs out into communities throughout the district with the purpose of making the library a visible, valuable service without the expectation that patrons will be expected to enter a facility. Service delivery includes providing popular materials in various formats and through programming, storytimes, and events. The Mobile Services staff operates three mobile units. One unit, a bookmobile, serves as a mobile library, carrying a collection of approximately 5,000 books and non-print materials to schools and neighborhoods. The second and third units provide mobile library services to early childhood facilities and senior centers by bringing carts of books along with staff who host lobby stop and in-classroom services and programming. The units have access to the entire High Plains Library District collection.

Outreach Services consists of Outreach Librarians who are centrally located and work throughout the library district to bring services out into the community through identified organizational partners and to build bridges to connect new populations with the library facilities and services. They are additionally tasked with creating connections and filling gaps in our community between the library and our underserved communities and communities that face barriers to library service. Outreach Librarians also develop community-wide programs.

Mead Library

HPLD's newest library provides library services to the residents of Mead and the surrounding area. This community library opened in October 2026 and holds up to 21,000 items. The 13,500 square foot facility provides public access computers, Wi-Fi, printing, scanning, and faxing. The library is designed to offer a variety of spaces to meet the diverse needs of the community, including a community meeting space, a children's room with a feature wall and a fireplace, an outdoor patio, 2 study rooms, a teen space, and a flex space where makerspace programming is provided.

Views off to the West showcase the mountains and the palette and design elements of the library draw inspiration from the agricultural history and natural beauty of the area.

HPLD Library & Archive

To meet the needs of the growing Greeley/Evans communities, HPLD constructed a library and an archive housed in a new annex attached to the current administration building. The library and archive opened June 27, 2026.

The facility is 8,200 square feet, with the library holding around 3,500 items and the archive housing HPLD's Institutional Collection and the historical collection of the Greeley Tribune newspapers donated to HPLD when the District renovated the Greeley Tribune building into LINC: Library Innovation Center. The library provides public access computers, Wi-Fi, printing, scanning, and faxing, a children's nook – for storytime, and 2 study rooms. Also included is a digitization station, where the public can digitize photographs and slides, as well as audio cassettes and VHS tapes.

Erie Community Library

Erie Community Library is a neighborhood library that holds up to 65,000 items. The 26,500 square foot facility provides 18 public access computers and features a living room with a fireplace, two outdoor patios, a makerspace, four study rooms, and a large event space/meeting room that can be divided into two spaces, one of which is publicly reservable.

To meet the needs of the growing Erie community, the library underwent a renovation in 2020 and added 6,500 square feet to create a makerspace, enlarge the children's storytime room, increase the number of study rooms and meeting spaces, and relocate and remodel the teen area to include room for collaboration, gaming, and hanging out. The project also expanded the patron parking lot. The four additional study rooms help serve the needs of tutors and students who were previously using library open areas to work, allow groups to collaborate in separate spaces, and provide quiet space for study and work. The larger storytime room can accommodate twice as many adults and children as before and provides a larger area for play and learning after storytimes. The makerspace houses a laser cutter, 3D printer, die cut machine, and several sewing machines for skills-based learning, STEM activities, and arts and craft activities for all ages. The larger meeting spaces enable the community to make twice as many room reservations for larger numbers of people than previously.

Kersey Library

To meet the needs of the growing Kersey community, the library renovated a location within the heart of the community, right next to Kohler Park. This location is 4,000 square feet and can hold 5,600 items. It offers public access computers, Wi-Fi, printing, scanning and faxing, and one children's computer with age-appropriate learning activities and games. The library hosts a variety of programs for all ages that encourage reading, literacy, education, and diversity with a focus on skills-based learning/training. There is one public study room available for reservation.

In addition to adult book clubs, Kersey Library services include a summer reading program, a free lunch program in conjunction with the Weld Food Bank, and afterschool programming for children. The library is an important part of the Kersey community and partners often with the Town of Kersey to carry out the district's mission.

Riverside Library & Cultural Center

Nestled in the heart of Old Town Evans, the Riverside Library & Cultural Center is more than just a library — it's a lively community hub serving neighborhoods throughout Evans and beyond. Spanning 18,500 square feet, this vibrant space combines the power of knowledge with cultural enrichment, all under one roof.

With room for up to 30,000 items and 21 public computers, Riverside Library offers something for everyone — whether you're here to research, relax, study, or explore. Inside, you'll find a welcoming mix of collaborative spaces, private study rooms, and cozy nooks. Four dedicated study rooms, a warm fireplace, plenty of casual seating, and a versatile multi-purpose room for library programs help support a wide range of needs and activities. Visitors also enjoy access to free Wi-Fi, public computers, printing services, and a full calendar of engaging programs for children, teens, and adults.

The cultural center, operated by the City of Evans, brings even more value to the community. It features spacious, fully equipped meeting rooms, fascinating local history exhibits, and city office spaces. Just outside, a beautiful plaza and a playful children's area invite families and neighbors to gather, connect, and enjoy the outdoors.

Whether you're here to learn, meet, create, or just unwind — Riverside Library & Cultural Center is your community's place to grow.

Grover Library

HPLD opened a library facility for the residents of Grover and the surrounding area in November 2024. The library is located on land donated by the Town of Grover in a building that is approximately 1,792 square feet. The facility includes a small library collection of around 1500 items, computer access and printing, and a small community room for meetings. Additionally, HPLD offers many programs and opportunities for engagement and enrichment in the region that otherwise does not have many community meeting places.

Community Relations and Marketing (CRM) Department

CRM is responsible for ensuring consistent messaging for all communications, marketing, advertising, and public relations functions as overseen by the HPLD Executive Director. As the High Plains Library District's brand ambassador, CRM represents HPLD with one voice, one message, and through presenting a trustworthy presence in our community.

CRM enhances the district's brand and visual presentation by identifying and supporting best practices in merchandising, establishing and maintaining partnerships, and strategically identifying areas with market penetration potential for patron growth.

CRM actively supports districtwide efforts as directed by the Executive Director based on conversations with the Member Directors and Boards. Within this framework, CRM:

- Provides the community with consistent and accurate information about library policies, procedures, programs, and services.
- Creates advertising campaigns that enhance and build the HPLD brand.
- Coordinates market research and analyzes local needs.
- Openly communicates with local media that serve the various district communities.
- Coordinates all press releases, columns, press conferences, media kits and information packets that are distributed to increase awareness and knowledge about High Plains Library District.
- Serves as the hub of all communication throughout High Plains Library District.
- Manages the social media presence of the High Plains Library District.
- Provides collateral material and everyday tools to assist staff. Edits the content, appearance and usability of external and internal communications including promotional materials, publicity campaigns, and other tools in order to ensure that the desired message is communicated, and the desired image is presented.
- Collaboratively manages the web page to ensure a clean organized design is presented and the content is accurate and up to date.

The HPLD Events and Experiences Team is part of CRM that markets HPLD and its services by attending events. Events and Experiences staff operate the Pop-Up Library, a Ford F250 with a custom box that opens to display library materials available for checkout onsite. They combine point-in-time collections with targeted patron experiences to generate a lifelong connection with the library.

Human Resources Department

The Human Resources Department provides leadership, direction, and support to libraries by facilitating compliance, partnering strategically, and advocating for employees. The department is responsible for administering talent acquisition, learning and development, total rewards, organizational development and effectiveness, employee relations, diversity and inclusion, and labor law compliance.

Human Resources promotes a workplace culture encouraging employees to:

- Focus on the patron
- Take initiative
- Contribute to a positive work environment
- Think strategically and systemically
- Pursue personal development
- Continuously improve

Finance Department

The Finance Department is responsible for the general accounting functions of the High Plains Library District including:

Accounting Procedures - assure compliance with applicable laws and policies governing the reporting of financial transactions, provide timely and accurate information, record all resources and assets by adhering to Generally Accepted Accounting Principles (GAAP) applicable to fund accounting, preparation of the Annual Comprehensive Financial Report and the coordination and preparation of the annual Budget document.

Payroll - ensure proper and accurate payment to employees and payment of payroll liabilities.

Accounts Payable - process payments for goods and services.

Cash Management - provide general cashing operations, maintain banking relationships, and manage investment of district funds.

Fiscal Reports - prepare bank reconciliations, general ledger account reconciliations, and reports for use in analyzing various financial functions of the High Plains Library District.

Procurement Cards - administer a procurement card program to facilitate district purchases as well as monitoring the program and payment of monthly statements.

HPLD Friends & Foundation

The High Plains Library District Friends & Foundation is a separate 501(c)(3) nonprofit, established to support the programs and services of the High Plains Library District. The Friends & Foundation's mission is to build a community of library lovers through increased collaboration, philanthropy, volunteer engagement, awareness, and advocacy for the libraries of the High Plains Library District.

The Foundation's assets and income are derived from the following activities:

Grant funding – mission-aligned funding for programming from private, family, corporate, municipal, and federal grant sources

- Individual gift solicitation, including planned giving
- Corporate giving, including sponsorship for programs and events
- Special events
- Earnings from investments

The Friends & Foundation's current funding priorities include HPLD's programming, community spaces, materials sharing.

Fundraising goals for 2027 include raising funds to sustain HPLD's upcoming Workmobile through events like the Carnival in the

Facilities Department

The Facilities Department has four primary functions:

- To provide expert assistance in planning and construction of new and remodeled facilities
- To provide equipment maintenance for all branches
- To provide custodial services
- To maintain the district's vehicles

In addition, the department also provides assistance, as requested, to the member libraries. Member libraries are part of the High Plains Library District, but function independently and receive services from the district.

Planning and Construction - this department is supervised by the Executive Director. The expert assistance is provided by a Facilities Manager, with support from the district's contracted Owner's Representative. These, along with others in the organization, work with architects and contractors to construct and maintain the facilities that are appropriate for the community in which they are built.

High Plains Library District worked with an architect to develop a "prototype library." The architects developed a "concept" that represents the library brand, but then translates that into customized designs and square footage that meet local needs. HPLD used the prototype library concept for the Mead library.

Equipment maintenance - this includes everything from major projects like HVAC and roofing to soap dispensers in the restrooms. These services are provided by the Facilities Manager and Facilities Technicians. The department also utilizes contract labor for projects beyond the scope of the Facilities Technician skills.

Custodial services - these are the typical routine services that ensure that the facilities are clean and inviting to the public. Some of these services are provided by paid staff, and in other cases the services are contracted.

Grounds maintenance and landscaping services – these routine services ensure that the grounds around the facilities are safe, functional, and appealing. Some of these services are provided by paid staff, and in other cases the services are contracted.

Safety and security services – ensure that the workplace is a safe environment for employees and visitors. Security services are contracted for two of the libraries – Centennial Park and LINC.

HPLD vehicle maintenance - HPLD owns a fleet of seven vehicles. Facilities provides inspections, record keeping, and maintenance

Collection Resources Department

The Collection Resources Department consists of Collection Development, Interlibrary Loan and Prospector, Bibliographic Services, Specialty Checkout, and Archives. Together these units accomplish the processes necessary to make a wide array of materials available to the public in a timely, efficient, and cost-effective manner.

Collection Development selects and manages the collections and resources of the branch system in accordance with the Collection Development Policies. The department, in collaboration with library managers and the Outreach manager, coordinates the management and maintenance of the collection materials including books, magazines, and media. Digital collections include databases, eBooks, eAudio, and streaming music and video. This centralized process provides cost effective efficiencies to build a quality collection that strives to balance districtwide collection goals with local branch needs.

Interlibrary Loan and Prospector support the educational, recreational and information needs of High Plains Library District patrons through resource sharing with other libraries. Interlibrary Loan/Prospector enables all High Plains Library District libraries to provide patrons with a broad range of materials by supplementing existing collections. Interlibrary Loan and Prospector borrow and lend materials from various libraries throughout Colorado and the United States.

Bibliographic Services is responsible for ordering, receiving, processing and cataloging materials acquired by the district. Bibliographic Services is responsible for maintaining the integrity of the data contained in the online catalog using Resource Description and Access standards (RDA). This organization and description of materials is the foundation for other basic library services, such as circulation, materials management, collection development, and acquisitions.

Specialty Checkout maintains a collection of equipment and nontraditional library items. Because the equipment is often expensive and in limited supply, use is restricted to resident patrons over the age of 18. Specialty Checkout manages patron reservations through calendar-based software, allowing patrons to reserve items such as laptops, hotspots, projectors, telescopes, and experience passes for a specific date.

The High Plains Library District Archive organizes, protects, preserves, and provides access to historical materials primarily pertaining to the District for present and future generations. The District's archive consists largely of two non-circulating collections: the Institutional Collection and the Greeley Tribune Collection.

2027 Budget String Coding

Budget String Coding - Numeric Sort

The following format is used for coding expenses for purchase order requisitions and for future budgeting:

<u>Fund</u>	<u>Expense</u>	<u>Location</u>	<u>Department</u>	<u>Project</u>
□□ -	□□□□ -	□□ -	□□ -	□□□□

Definitions:

- **Fund:** A fiscal and accounting entity with a set of accounts recording revenues and expenditures of the entity.
- **Expenses:** Charges incurred for operation, maintenance, supplies, equipment, etc to benefit the current fiscal period.
- **Location:** Various branch location or member library designations associated with a two-digit code.
- **Department:** A two-digit code associated with District Support Services departments.
- **Project:** A four-digit code associated with special expenditure categories.

Coding Examples

Example One: 01-6220-50-51

6000 Tax Distribution to Member Libraries

6010 Contingency / An amount budgeted for expenditures that cannot be foreseen and planned for in the budget process because of an occurrence of an unusual or extraordinary event.

6105 Third Party Health Insurance Payment / Insurance payment for COBRA insurance coverage.

6110 Salaries / Wages paid to employees who are employed by the District.

6112 Life/Disability Insurance / Premium paid for short-term and long-term, life and disability insurance coverage.

6136 Worker's Compensation / Premium paid for worker's compensation insurance policy to provide medical care to employees in the case of a work related accident.

6137 Dental Insurance / Premium paid for dental insurance coverage as elected by employees.

6138 Medical Insurance / Premium paid for medical insurance coverage as elected by employees.

6139 Vision Insurance / Premium paid for vision insurance coverage as elected by employees.

6140 Social Security / Social Security taxes paid by the District on the employees' behalf.

6144 Retirement/401A/457 Expense / Employee paid contribution to the 401A mandatory and 457 elective retirement plan.

6145 Legal Shield / Employee paid Legal Services.

6146 Medicare / Federal withholding contribution as part of social security program.

6148 Federal Unemployment Taxes / Amounts paid by the District to provide unemployment compensation benefits for employees.

6149 State Unemployment Taxes / Amounts paid by the District to provide unemployment compensation benefits for employees.

6200 Retirement — Employer Contribution / Amount paid by District to match employees' contribution to the 401A retirement plan.

6203 Fees — Other / Miscellaneous fees.

6205 Bank Services Charges / Fees paid for bank services.

6220 Minor Equipment / Items costing less than \$5000, such as VCRs, projectors, televisions, display units and typewriters.

6221 E Readers / Kindle Fires and iPads.

6224 Foundation Purchases / Items purchased by the District that the Foundation has approved for funding.

6236 Janitorial Supplies / Items used to clean and supply facilities, such as floor finish, stain remover, toilet tissue, paper towels, hand soap, and vacuum bags.

6249 Operating Supplies / Items such as pens, paper, tape, scissors, desk accessories, binders, paper clips, security cases, seasonal decorations, break room supplies, and craft supplies. Items costing \$100 and less.

6250 Tech Processing Supplies / Items purchased for processing library collection items.

6310 Postage / Mailing costs for sending letters and packages.

6320 Printing / Printing and copying of materials for internal or external use.

6340 Memberships / Payment of membership dues to professional organizations.

6345 Public Relations / Advertising expenses, including recruitment ads, newspaper publications and promotional items.

6358 Programs / Expenditures to promote and conduct programs such as Summer Reading, National Library Week and Children's Read Week. May include prizes, arts and crafts, supplies, decorations and refreshments.

6362 Electric / Expenditures for electrical services provided by a public utility company.

6364 Water and Sewer / Expenditures for services provided by public or private companies.

6365 Natural Gas / Expenditures for natural gas services provided by a public utility company.

6367 Phones / Phone service charges paid to a private utility company, including cell phones and networking line connections.

6369 Disposal Services / Pick up and removal of waste and recyclable materials.

6379 Professional Contracts / Payment for services rendered by outside contractors (organizations or individuals).

6380 Gasoline, Motor Oil, Lubricants / Expenses for fuel and lubricants to operate District vehicles.

6382 Repair & Maintenance-Buildings / Materials and supplies for the repair and maintenance of District buildings. Includes light bulbs, paint, lumber, and hardware supplies.

6384 Repair & Maintenance-Vehicles / Repair and maintenance costs for District vehicles.

6385 Repair & Maintenance-Office Equipment / Services, supplies and maintenance agreements purchased to repair and maintain office equipment, such as copy machines, microfiche reader/printers and fax machines.

6387 Repair, Maintenance, Replacement-Computer / Services, supplies and maintenance agreements purchased to repair and maintain computer equipment, such as monitors, central processing units and printers. Also includes cost of replacement computers.

6388 Repair & Maintenance-On-line Computer / Cost of upkeep for the Dynix Horizon system.

6389 Repair & Maintenance-Other Equipment / Services, supplies and maintenance agreements purchased to repair and maintain any equipment that is not otherwise classified.

6393 Tuition Reimbursement / Reimbursement for classes taken by those employees continuing their education.

6394 Travel & Mileage / Reimbursement for mileage, parking, meals, and incidental expenses incurred by a District employee when conducting District business. This does not include expenses incurred for conferences and training.

6395 In-House Training / Costs of in-house classes and seminars for staff needs.

6396 Meetings / Incidental expenses incurred when hosting or attending meetings.

6397 Out-of-House Training & Conferences / Expenses incurred for conference attendance, and out-of-house training.

6398 Treasurer Fee / Fees paid to the county for collection and distribution of property taxes.

6410 Books / Hardbound or softbound materials purchased, not via a subscription.

6425 Periodicals / Printed materials purchased with a subscription for magazines, newspapers, or professional journals.

6430 E Books / Recorded audio materials in cassette type form.

6460 Compact Discs / Recorded audio materials including music in compact disk (CD) form.

6480 Software / Published software programs and site licenses.

6490 DVD/Blue Ray / Recorded visual material in DVD or Blue Ray format.

6495 Other Expense / Expenses not otherwise classified.

6496 Electronic Resources / Subscription costs for online databases.

6510 Insurance / Premiums paid for coverage of bookmobiles, buildings, general liability and Directors and Officers of the District.

6520 Equipment Rentals / Rental costs for equipment rented by the District including rentals of postage machine rental.

6952 Equipment/Furniture over \$5000 / Equipment or furniture items costing more than \$5000.

6953 RFID / Costs for the collection management and inventory control system.

6954 New Computers & Other Technology / Includes personal computers, monitors, printers, and multi-functional equipment.

6980 Capital Improvements / Permanent repairs, upgrades, remodel or improvements made to enhance the appearance of a District building.

6985 Lease Payment / Payments made to lease Library buildings. Debt service transfer for 2001 COPS and 2006 COPS.

6986 Opening Day Collection / Expenses incurred in purchasing Library materials for opening day inventory.

Budget String Coding - Alpha Sort

The following format is used for coding expenses for purchase order requisitions and for future budgeting:

<u>Fund</u>	<u>Expense</u>	<u>Location</u>	<u>Department</u>	<u>Project</u>
□□ -	□□□□ -	□□ -	□□ -	□□□□

Definitions:

- **Fund:** A fiscal and accounting entity with a set of accounts recording revenues and expenditures of the entity.
- **Expenses:** Charges incurred for operation, maintenance, supplies, equipment, etc to benefit the current fiscal period.
- **Location:** Various branch location or member library designations associated with a two-digit code.
- **Department:** A two-digit code associated with District Support Services departments.
- **Project:** A four-digit code associated with special expenditure categories.

Coding Examples

Fund Code

01 General Fund / for the High Plains Library District

Expenditure Codes

6205 Bank Services Charges / Fees paid for bank for funding.

6410 Books / Hardbound or softbound materials purchased, not via a subscription.

6980 Capital Improvements / Permanent repairs, upgrades, remodel or improvements made to enhance the appearance of a District building.

6460 Compact Discs / Recorded audio materials including music, in compact disk (CD) form.

6010 Contingency / An amount budgeted for expenditures that cannot be foreseen and planned for in the budget process because of an occurrence of an unusual or extraordinary event.

6137 Dental Insurance / Premium paid for dental insurance coverage as elected by employees.

6369 Disposal Services / Pick up and removal of waste and recyclable materials.

6490 DVD/Blue Ray / Recorded visual material in DVD or Blue Ray format.

6430 EBooks / Recorded audio materials in cassette type form.

6362 Electric / Expenditures for electrical services provided by a public utility company.

6496 Electronic Resources / Subscription on-line databases.

6221 E Readers / Includes Kindle and I pads.

6952 Equipment/Furniture over \$5000 / Equipment or furniture items costing more than \$5000.

6520 Equipment Rentals / Rental costs for equipment rented by the District including rentals of postage meter machines.

6148 Federal Unemployment Taxes / Amounts paid by the District to provide unemployment compensation benefits for employees.

6203 Fees — Other / Miscellaneous fees.

6224 Foundation Purchases / Items purchased by the District that the Foundation has approved for funding.

6380 Gasoline, Motor Oil, Lubricants / Expenses for fuel and lubricants to operate District vehicles.

6395 In-House Training / Costs of in-house classes and seminars for staff needs.

6510 Insurance / Premiums paid for coverage of bookmobiles, buildings, general liability and Directors and Officers of the District.

6236 Janitorial Supplies / Items used to clean and supply facilities, such as floor finish, stain remover, toilet tissue, paper towels, hand soap, event, and vacuum bags.

6985 Lease Payment / Payments made to lease Library buildings. Debt service transfer for 2001 COPS and 2006 COPS.

6145 Legal Shield / Employee paid Legal Services

6112 Life/Disability Insurance / Premium paid for short-term and long-term, life and disability insurance coverage.

6138 Medical Insurance / Premium paid for medical costs for insurance coverage as elected by employees.

6146 Medicare / Federal withholding contribution as part of social security program.

6340 Memberships / Payment of membership dues to professional organizations.

6396 Meetings / Incidental expenses incurred when hosting or attending meetings.

6220 Minor Equipment / Items costing less than \$5000, such as VCRs, projectors, televisions, display units and typewriters.

6365 Natural Gas / Expenditures for natural gas services provided by a public utility company.

6954 New Computers & Other Technology / Includes personal computers, monitors, printers, and multi-functional equipment.

6986 Opening Day Collection / Expenses incurred in purchasing Library materials for opening day inventory.

6249 Operating Supplies / Items such as pens, paper, tape, scissors, desk accessories, binders, paper clips, security cases, seasonal decorations, break room supplies, and craft supplies. Items costing \$100 and less.

6495 Other Expense / Expenses not otherwise classified.

6397 Out-of-House Training & Conferences / Expenses incurred for conference attendance and out-of-house training.

6425 Periodicals / Printed materials purchased with a subscription for magazines, newspapers, or professional journals.

6367 Phones / Phone service charges paid to a private utility company, including cell phones and networking line connections.

6310 Postage / Mailing costs for sending letters and packages.

6320 Printing / Printing and copying of materials for internal and external use.

6379 Professional Contracts / Payment for services rendered by outside contractors (organizations or individuals).

6358 Programs / Expenditures to promote and conduct programs such as Summer Reading, National Library Week and Children's

Read Week. May include prizes, arts and crafts supplies, decorations and refreshments.

6345 Public Relations / Advertising expenses, including recruitment ads, newspaper publications and promotional items.

6382 Repair & Maintenance-Buildings / Materials and supplies for the repair and maintenance of District buildings. Includes light bulbs, paint, lumber, and hardware supplies.

6387 Repair, Maintenance, Replacement- Computer / Services, supplies and maintenance agreements purchased to repair and maintain computer equipment, such as monitors, central processing units and printers. Also includes cost of replacement computers.

6385 Repair & Maintenance-Office Equipment
Services, supplies and maintenance agreements purchased to repair and maintain office equipment, such as copy machines, microfiche reader/printers and fax machines.

6388 Repair & Maintenance-On-line Computer / Costs of upkeep for the Dynix Horizon system.

6389 Repair & Maintenance-Other Equipment
Services, supplies and maintenance agreements purchased to repair and maintain any equipment that is not otherwise classified.

6384 Repair & Maintenance-Vehicles / Repair and maintenance costs for District vehicles.

6144 Retirement/401A/457 Expense / Employee paid contribution to the 401A mandatory and 457 elective retirement plan.

6200 Retirement — Employer Contribution / Amount paid by District to match employees' contribution to the 401A retirement plan.

6110 Salaries / Wages paid to employees who are employed by the District.

6140 Social Security / Social Security taxes paid by the District on the employees' behalf.

6480 Software / Published software programs and site licenses.

6149 State Unemployment Taxes / Amounts paid by the District to provide unemployment compensation benefits for employees.

6000 Tax Distribution to Member Libraries

6250 Tech Processing Supplies / Items purchased for processing library collection items.

6105 Third Party Health Insurance Payment / Insurance payment for COBRA insurance coverage.

6394 Travel & Mileage / Reimbursement for mileage parking, meals, and incidental expenses incurred by a District employee when conducting District business. This does not include expenses incurred for conferences and training.

6398 Treasurer Fee / Fees paid to the county for collection and distribution of property taxes.

6393 Tuition Reimbursement / Reimbursement for classes taken by those employees continuing their education.

6139 Vision Insurance / Premium paid for vision insurance coverage as elected by employees.

6364 Water and Sewer / Expenditures for services provided by public or private companies.

6136 Worker's Compensation / Premium paid for worker's compensation insurance policy to provide medical care to employees in the case of a work related accident.

Proposed Budget
2027**

	Revenues	Expenditures	Revenue Over / (Under) Expenditures
Original Proposed Budget	57,929,293.00	57,519,044.00	410,249.00

Adjustments to Original Proposed Budget:

Adjusted property tax revenue	-		A
Adjusted distributions to members	-		A
	-		B
	-		C
	-		D
	-		E
	-		F

57,929,293.00	57,519,044.00	410,249.00
---------------	---------------	------------

- A - The proposed budget was prepared based on the preliminary information and estimates. The final valuations were released by the county assessors in late November and early December.
- B - The final allocation of state grant funds for libraries was released after the proposed budget was presented.
- C - Adjustment to carry over funds for technology for Milliken and Centennial Park.
- D - Adjustment to Facilities Truck per estimate.
- E - Adjustment for Safety Improvement Fund approved by board at November meeting.
- F - Adjustment to programming to add Signature Author Event.

Assumptions:
No mill levy increase for HPLD.
No additional debt after COPs were paid off in December 2019.

Property Tax Assessment Rate Changes pursuant to SB22-238

June 27, 2022

Type of Property		Assessment Rates – For property tax years 2022 (payable in 2023) Created under SB21-293	Assessment Rates – For property tax year 2023 (payable in 2024) Created under SB22-238	Assessment Rates – For property tax year 2024 (payable in 2025) Created under SB22-238	Assessment Rates – For property tax year 2025 (payable in 2026) & thereafter
Non-residential	Hotels, motels and B & Bs – 'lodging properties'	29%	27.9% (Exempt first \$30,000 of Actual Value)	29%	29%
	Renewable Energy Production	26.4%	26.4%	26.4%	29%
	Agricultural Property	26.4%	26.4%	26.4%	29%
	Commercial, Vacant, Industry	29%	27.9% (For improved commercial only: exempt first \$30,000 of Actual Value)	29%	29%
Residential	Oil & Gas	87.5%	87.5%	87.5%	87.5%
	Multi-family housing (i.e. apartments)	6.80%	6.765% (Exempt first \$15,000 of Actual Value)	6.8%	7.15%
	All other residential property	6.95%	6.765% (Exempt first \$15,000 of Actual Value)	TBD (set at a level to hit a total revenue reduction over the 2023 & 2024 property tax years of \$700 million)	7.15%

Backfill for Property Tax Year 2023 (3 tiers). (There is NO backfill for property tax year 2022 and 2024)

1.) Local governments in counties with over 300,000 people will be made whole for 65% of their lost revenue.

9 counties: Adams, Arapahoe, Boulder, Denver, Douglas, El Paso, Jefferson, Larimer and Weld

*Fire, library, sanitation & water districts, health service districts & municipalities within these counties will receive a higher percentage backfill. Those with an assessed valuation of more than 10% will be made whole for 90% of their lost revenue. Those with an assessed valuation of less than 10% will be made whole for 100% of their lost revenue.

2.) Local governments in counties with a.) under 300,000 people and b.) an assessed valuation growth of over 10% will be made whole for 90% of their lost revenue.

10 counties: Chaffee, Eagle, Elbert, Grand, Gunnison, Lake, Montrose, Park, San Miguel and Summit

3.) Local governments in counties with a.) under 300,000 and b.) an assessed valuation growth of under 10% will be made whole for 100% of their lost revenue.

Remaining 45 counties

Comparison: Non-School Local Governments, SB24-233 to HB24B-1001
Dianne Criswell, SDA Chief Legal Counsel
 September 5, 2024

1. Residential Assessment Rates (RAR)

	SB24-233	Changes in HB24B-1001	HB24B-1001 – as passed
PTY 2024	• 6.7% • \$55,000 exemption from actual value	Same	• 6.7% • \$55,000 exemption from actual value
PTY 2025	Schools are de-coupled hereafter RAR = 6.4%	Same de-coupling • If statewide actual value change is more than 5%, RAR = 6.15% • If statewide actual value change is less than or equal to 5%, RAR = 6.25%	Schools are de-coupled this year and thereafter • If statewide actual value change is more than 5%, RAR = 6.15% • If statewide actual value change is less than or equal to 5%, RAR = 6.25%
PTY 2026	• 6.95% • Non-school homestead exemption, 10% of actual value up to \$700,000, indexed to inflation	• If statewide actual value change is more than 5%, RAR = 6.7% • If statewide actual value change is less than or equal to 5%, RAR = 6.8% • Same homestead exemption	• If statewide actual value change is more than 5%, RAR = 6.7% • If statewide actual value change is less than or equal to 5%, RAR = 6.8% • Non-school homestead exemption, 10% of actual value up to \$700,000, indexed to inflation

2. Non-Residential Assessment Rates (AR)

Oil and gas are not included in the below

	SB24-233	Changes in HB24B-1001	HB24B-1001 – as passed
PTY 2024	• 27.9% • \$30,000 exemption from actual value	Same, but also extends reduction to lodging properties in PTY 2024	• 27.9% (including lodging properties) • \$30,000 exemption from actual value
PTY 2025	27%	Same	• 27%
PTY 2026	25%	• 25% for improved commercial and ag • 26% for most other nonresidential	• 25% for improved commercial and ag • 26% for most other nonresidential
PTY 2027	25%	Same	• 25%

3. Property Tax Limit – applies to non-school, non-home rule, local governments

SB24-233 Starts in Property Tax Year (PTY) 2025	Same	Changes in HB24B-1001	HB24B-1001 – as passed Starts in Property Tax Year (PTY) 2025
5.5% annual	10.5% over 2-year assessment cycle	10.5% over 2-year assessment cycle	10.5% over 2-year assessment cycle
Base year = PTY2023 tax revenue plus state reimbursement (backfill); limit changes by 5.5%+ annually, compounding	Growth is from: • The “qualified property tax revenue” collected and retained from <u>whichever property tax year in a previous assessment cycle for which the local government collected the most revenue</u>, plus • Any “carry over amount” (which is any amount that was under the 10.5% that was not collected in the last assessment cycle as tax revenue)	Growth from the Property Tax Limit is from: • The “qualified property tax revenue” collected and retained from <u>whichever property tax year in a previous assessment cycle for which the local government collected the most revenue</u>, plus • Any “carry over amount” (which is any amount that was under the 10.5% that was not collected in the last assessment cycle as tax revenue)	
<u>Exclusions from revenue:</u> • New construction • Changes in law for property tax classification • Annexation/inclusion • Revenue from a TIF expiration • Previously omitted property • Abated or refunded revenue • Revenue from previously exempt property • Revenue from oil and gas • Bond or other contractual payments • Revenue from new mills approved by voters after SB24-233 takes effect (upon Governor’s Proclamation)	<u>Exclusions from revenue – same, but for:</u> • Revenue from new mills is amended to be local ballot measures approved by voters on or after November 5, 2024 (if HB24B-1001 takes effect) • Clarification that revenue from a TIF expiration also applies to Part 8 of Article 25 of Title 31 and Article 31 of Title 30. • Adds that revenue attributable to Specific Ownership Tax is excluded. • In a separate section (not in list of exclusions), adds that revenue expended for declared disasters are exempt.	<u>Exclusions from revenue:</u> • New construction • Changes in law for property tax classification • Annexation/inclusion • Revenue from a TIF expiration (including clarification in HB24B-1001) • Previously omitted property • Abated or refunded revenue • Revenue from previously exempt property • Revenue from oil and gas • Bond or other contractual payments • Revenue attributable to Specific Ownership Tax • Revenue expended for declared disasters • Revenue from new mills approved by voters on or after November 5, 2024	

2027

Glossary

GLOSSARY

Abatement – A complete or partial cancellation of a levy imposed by a government.

Accrual Basis – A basis of accounting in which transactions are recognized at the time they are incurred, as opposed to when cash is received or spent.

Ad Valorem – Commonly referred to as property taxes, are levied on both real and personal property according to the property's valuation and the mill levy (tax) rate.

Annual Comprehensive Financial Report – An annual financial report of the government's fiscal condition, which includes a minimum of three parts: 1) Introductory section providing background on the government, 2) Financial section including the combined general purpose financial statements and notes, and 3) Statistical section comprising 15 or more tables of non-audited information composed of 10-year trend data on revenues, expenditures and tax collections.

Appropriation – A legal authorization to incur obligations and to make expenditures for specific purposes.

Assessed Valuation – The valuation set upon real estate and certain personal property by the County Assessor as a basis for levying property taxes.

Asset – Resources owned or held by a government which have monetary value.

Audit – A systematic collection of the sufficient, competent evidential matter needed to attest to the fairness of management's assertions in the financial statements or to evaluate whether management has efficiently and effectively carried out its responsibilities. The auditor obtains this evidential matter through inspection, observation, inquiries and confirmations with third parties.

Available (Undesignated) Fund Balance – This refers to the funds remaining from the prior year which are available for appropriation and expenditure in the current year.

Balance Sheet - The financial statement disclosing the assets, liabilities and equity of an entity at a specified date in conformity with GAAP (Generally Accepted Accounting Principles).

Balanced Budget – A budget where budgeted expenditures do not exceed budgeted revenues plus beginning fund balance.

Basis of Accounting – A term used to refer to when revenues, expenditures, expenses, and transfers – and the related assets and liabilities – are recognized in the accounts and reported in the financial statements.

Bond – A long term IOU or promise to pay. It is a promise to repay a specified amount of money (the face amounts of the bond) on a particular date (the maturity date). Bonds are primarily used to finance capital projects.

Budget – A plan of financial activity for a specific period of time (fiscal year or biennium) indicating all planned revenues and expenses for the budget period.

Budget Message – A general discussion of the proposed budget as presented in writing by the budget-making authority to the governing body. The budget message should contain an explanation of the

principal budget items, an outline of the government's experience during the past period and its financial status at the time of the message and recommendations regarding the financial policy for the coming period.

Budgetary Basis – This refers to the basis of accounting used to estimate financing sources and uses in the budget. This generally takes one of three forms: GAAP, cash, or modified accrual.

Budget Calendar – The schedule of key dates which a government follows in the preparation and adoption of the budget.

Budgetary Control – The control or management of a government in accordance with the approved budget for the purpose of keeping expenditures within the limitations of available appropriations and resources.

Capital Assets – Assets of significant value and having a useful life of several years. Capital assets are also called fixed assets.

Capital Budget – The appropriation of bonds or operating revenue for improvements to facilities, and other infrastructure.

Capital Improvements – Expenditures related to the acquisition, expansion or rehabilitation of an element of government's physical plant; sometimes referred to as infrastructure.

Capital Improvement Program (CIP) – A plan for capital outlay to be incurred each year over a fixed number of years to meet capital needs arising from the government's long-term needs.

Capital Outlay – Fixed assets which have a value of \$5,000 or more and have a useful economic lifetime of more than one year; or assets of any value if the nature of the item is such that it must be controlled for custody purposes as a fixed asset.

Capital Project – Construction, acquisition, or renovation activities which add value to a government's physical assets or significantly increase their useful life. Also called capital improvements.

Capital Reserve – An account used to segregate a portion of the government's equity to be used for future capital program expenditures.

Cash Basis – A basis of accounting in which transactions are recognized only when cash is increased or decreased.

CGFOA - Colorado Government Finance Officers Associations. Colorado chapter of the Government Finance Officers Association (see GFOA).

CGFO – Certified Government Finance Officer. Certification program offered and administered through the CGFOA.

Compensated Absences – Absences, such as vacation, illness, and holidays, for which it is expected employees will be paid. The term does not encompass severance or termination pay, post-retirement benefits, deferred compensation, or other long-term fringe benefits, such as group insurance and long-term disability pay.

Contingency – A budgetary reserve set aside for emergencies or unforeseen expenditures not otherwise budgeted.

Debt Service – The cost of paying principal and interest on borrowed money according to a predetermined payment schedule.

Deficit – The excess of an entity's liabilities over its assets or the excess of expenditures or expenses over revenues during a single accounting period.

Department – The basic organizational unit of government which is functionally unique in its delivery of services.

Depreciation – An accounting method of allocating the cost of a tangible asset over its estimated useful life to account for declines in value over time.

Disbursement – The expenditure of monies from an account.

Eisenhower Matrix – A productivity, prioritization, and time-management framework designed to help prioritize tasks or agenda items by first categorizing them by urgency and importance.

Employee (or Fringe) Benefits – Contributions made by a government to meet commitments or obligations for employee fringe benefits. Included are the government's share of costs for Social Security and the various pension, medical, and life insurance plans.

Expenditure – The payment of cash on the transfer of property or services for the purpose of acquiring an asset, service or settling a loss.

Expense – Charges incurred (whether paid immediately or unpaid) for operations, maintenance, interest or other charges.

Fiscal Policy – A government's policies with respect to revenues, spending, and debt management as these relate to government services, programs, and capital investment. Fiscal policy provides an agreed upon set of principles for the planning and programming of government budgets and their funding.

Fiscal Year – A twelve-month period designated as the operating year for accounting and budgeting purposes in an organization.

Fixed Assets – Assets of long-term character that are intended to continue to be held or used, such as land, building machinery, furniture, and other equipment.

Full Faith and Credit – A pledge of government's taxing power to repay debt obligations

Full-time Equivalent Position (FTE) – A position converted to the decimal equivalent of a fulltime position based on 2080 hours per year. For example, a part-time typist working for 20 hours per week would be the equivalent to .5 of a full-time position.

Fund – A fiscal entity with revenues and expenses which are segregated for the purpose of carrying out a specific purpose or activity.

Fund Balance – The excess of the assets of a fund over its liabilities, reserves, and carryover.

GAAP – Generally Accepted Accounting Principles. Uniform minimum standards for financial accounting and recording, encompassing the conventions, rules and procedures that define accepted accounting principles.

GASB – Governmental Accounting Standards Board. The authoritative accounting and financial reporting standard-setting body for government entities.

General Fund – the primary fund used by a government entity that constitutes the core operational and administrative tasks of the governmental entity.

GFOA – Government Finance Officers Association. A national group whose membership includes government finance officers through the USA and Canada. Formed to network ideas and strategies for best governmental accounting strategies. Provides input and limited funding to the GASB.

Goal – A statement of broad direction, purpose or intent based on the needs of the community. A goal is general and timeless.

Governmental Funds – used to account for activities primarily supported by taxes, grants, and similar revenue sources. There are five types : General Fund, special revenue funds, capital project funds, debt service funds, and permanent funds.

Grants – A contribution by a government or other organization to support a particular function. Grants may be classified as either operational or capital, depending upon the grantee.

Holds / holds pick up – Patron request for a library collection item from one library location to be delivered to another library location for them to check out or patron request to be put on a waiting list to be able to check out an item when it becomes available.

HPLD finance committee – the HPLD finance committee consists of the Secretary/Treasurer of the BOT, one other trustee, the Executive Director, and Finance Manager.

LCI / Library Confidence Indicator – based on the concept of the consumer confidence indicator. An at-the-moment assessment of how a person feels about the library district based on their perception of the library district's value to them as an individual, their family, and their community, whether the library district will be a value in the future, and whether the tax dollars spent are well used.

Levy – To impose taxes for the support of government activities.

Long-term Debt – Debt with a maturity of more than one year after the date of issuance.

Major Fund - funds whose revenues, expenditures/expenses, assets, or liabilities (excluding extraordinary items) are at least 10 percent of corresponding totals for all governmental or enterprise funds and at least 5 percent of the aggregate amount for all governmental and enterprise funds

Mill – The property tax rate which is based on the valuation of property. A tax rate of one mill produces one dollar of taxes on each \$1,000 assessed property valuation.

Modified Accrual Basis – The accrual basis of accounting adapted to the governmental fundtype measurement focus. Under it, revenues and other financial resource increments are recognized with they become susceptible to accrual, this is when they become both "measurable" and available to finance expenditures of the current period." "Available" means collectible in the current period or soon

enough thereafter to be used to pay liabilities of the current period. Expenditures are recognized when the fund liability is incurred except for (1) inventories of materials and supplies that may be considered expenditures either when purchased or when used, and (2) prepaid insurance and similar items that may be considered expenditures either when paid for or when consumed. All governmental funds, expendable trust funds and agency funds are accounted for using the modified accrual basis of accounting.

Objective – Something to be accomplished in specific, well-defined, and measurable terms and that is achievable within a specific time frame.

Obligations – Amounts which a government may be legally required to meet out of its resources.

Operating Revenue – Revenue from any regular source.

Performance Measure – Data collected to determine how effective or efficient a program is in achieving its objectives.

Program – A group of related activities performed by one or more organizational units for the purpose of accomplishing a function for which the government is responsible.

Prospector – A consortium of public and academic libraries which share their materials through an online catalog ordering system.

Purpose – A broad statement of the goals, in terms of meeting public service needs, that a department is organized to meet.

Reserve – An account used either to set aside budgeted revenues that are not required for expenditure in the current budget year or to earmark revenues for a specific future purpose.

Reserved Fund Balance – Those portions of fund balance that are not appropriable for expenditure or that are legally segregated for a specific future use.

Revenue – Sources of income financing the operations of government.

Skills pipeline – skills based programming and workforce development programming designed to encourage and enhance learning and personal growth.

Supplemental Appropriation – An additional appropriation made by the governing body after the budget year or biennium has started.

Tax Levy – The resultant product when the tax rate per one hundred dollars is multiplied by the tax base.

Taxes – Compulsory charges levied by a government for the purpose of financing services performed for the common benefit of the people. This term does not include specific charges made against particular persons or property for current or permanent benefit, such as special assessments.

Transfers In/Out – Amounts transferred from one fund to another to assist in financing the services from the recipient fund.

Unreserved Fund Balance – The portion of a fund’s balance that is not restricted for a specific purpose and is available for general appropriation.

West Texas Intermediate (WTI) – a benchmark used by oil markets, representing oil produced in the United States of America.
